Title

Manuscript type \_\_\_\_\_

(Review, Tutorial, Perspective)

Co-authors (include names and affiliations)

**Extended Abstract:** provide a short summary describing your Tutorial, Perspective, or Review and explain why it will be relevant and timely for the chemical physics community (max 500 words)

# The Journal of Chemical Physics

## *The Journal of Chemical Physics (JCP)—Article Proposal Form (page 2)*

**Your Relevant Publications:** highlight your experience in the field by providing a short list of key publications you have authored or co-authored

**Outline of Your Article:** provide an outline of your article and a statement as to what differentiates your proposed article from other articles already published on the topic area

**References:** list 10 key references that will be discussed in your article

### SUBMISSION INSTRUCTIONS

Review, Perspective, and Tutorial articles in JCP are by invite only.

Please complete this form ahead of submission and return it to the JCP Journal Manager at [jcp-journalmanager@aip.org](mailto:jcp-journalmanager@aip.org)

The Editorial Team will review your proposal and respond with an invitation to formally submit or decline.
